Hi Jeff-

Could you RUSH this search? This is an Appeal brief and John wants me to search it again before deciding whether or not to send it to the board, but it is due this biweek. Could you please send it to Dave Schreiber? Thanks
Karen

Please perform a score/length search for SEQ ID NO:2 for 09/817,538, limiting the length of the oligonucleotides to 50 or fewer nucleotides and provide hits wherein the match is 80% or greater.
Thank-you
